

**ALEXANDRIA CITY HIGH SCHOOL
DIPLOMA SEAL APPLICATION: STEM**

For the Virginia Board of Education’s Seal for STEM, the eligibility criteria include a requirement for documentation.

The Board of Education’s STEM Seal shall be awarded to students who:

- Earn either a Standard Diploma or an Advanced Studies Diploma
- Complete four math and four science courses with a “B” average in all course work
- Pass a [CTE STEM-H credential exam](#) or exam in a STEM field that confers college-level credit (e.g. AP Computer Science A)
- successfully complete a 50-hour or more work-based learning opportunity in a STEM area
- complete a Career and Technical Education concentration. A concentration is a coherent sequence of two or more state-approved CTE courses.
